To Whom This May Concern,

August 19, 2009

For the past eight years all three of our children, either on a full or part time basis, have attended Miss Jean's Childcare, and honestly we couldn't have been happier. Miss Jean provided a safe, and disciplined, environment that allowed our children, from six weeks to five years of age, to grow and have fun.

Our youngest, now going into second grade, was not accepted into the Akron Central School District's Pre-K program. We felt that her social and academic development, as well as her preparedness for kindergarten, may be hindered by not being accepted into this program. Our fears were unfounded. Miss Jean did a fantastic job getting her ready for school. The pre-requisites of counting, colors, letter recognition, and even basic computer skills were taught and practiced so our daughter was more than ready to begin her academic career.

As we said previously, we couldn't have been happier to have our children attend Miss Jean's Childcare, and would highly recommend it to anyone.

Sincerely,

Jill and Keith Hochreiter
